## RESIGNS POSITION

As Principal of High School—Prof. G. C. Mance Accepts Position at St. Lawrence University at Canton, N. Y.

Prof. G. C. Mance, for the past two years principal and teacher of science in the local high school, received word Monday morning that he had been elected head of the Department of Geology and Mineralogy at St. Lawrence University, Canton, N. Y., at a handsome increase in salary over his present position. Mr. Mance will present his resignation to the Maysville Board of Education today.

The recent Government survey of the Department of Education shows that St. Lawrence University ranks the same as Kentucky State University and the University of Cincinnati.

Prof. Mance has been one of the best teachers ever in the Maysville schools and it is with deep regret that the Board of Education and Superintendent W. J. Caplinger give him up. The best wishes of a number of friends and students will go with him to his new work.

It is understood that Prof. C. S. Dale, now a teacher in the High School, will be the new principal.

## SPLendid TOAST

One of the most interesting toasts given at the civic dinner at the Masonic Temple Friday evening was that given by Mrs. H. G. Reynolds of Paducah on "Federated Husbands and Other Knights," which we publish below by request:

When our delightful toastmaster assigned me this subject I was appalled. You see, you men, when toasting us, have unlimited material, but I could not get up here tonight and say "The men, God bless 'em"—nobody blesses men, except to bless them out. I could not rave over your suburban residences and your golden curls; I have to leave that to your barber, who gets his magnifying glass and says, "How is the poor dear this morning, sir? Shall I singe him or shampoo?" He certainly is growing, sir. Your complexion, your figure, your ankles all best left unsaid. And then I decided I was on the wrong track, that beauty is only skin deep after all, and there are far nobler and bigger things about which I could speak, and so out Federated Husbands and you other gallant Knights, you've hearts and minds so big and broad that female lessers lights bow down in humble adoration. But we count the hours of watchful waiting, joyously anticipating. We know now that the hours are shortening when you give us equal rights with our Federated Husbands and our charming host, the Knights.

## STOLE AUTOMOBILE AT PARIS

## KAISER SIGNS WITH BURLEY CUBS

Al Kaiser, well known to local base ball fans, Monday night signed a contract to play with the Maysville club and has joined the team at Huntington. He will be in the game today and will probably play first base. Kaiser is a good fielder and a strong hitter and he will bolster up the team considerably.

## ALL GAMES POSTPONED

Wet grounds caused all games in the Ohio State League scheduled for Monday to be postponed. This is a point in favor of the local team as it will give the boys a chance to rest and will probably put them in better shape for the coming games. Most of the teams will play off the postponed game in a double header this week.

## SPEAKING CAMPAIGNS INAUGURATED

The Kentucky Equal Rights Association has in the last two months inaugurated a campaign of street speaking in behalf of woman suffrage. Saturday afternoon at 2:30 Mr. Walter J. Millard spoke on Market street emphasizing the facts that the industrial and social revolution of the last century, particularly the last half century, called for the admission of women to the electorate that they might be thus empowered to discharge both their old duties of efficient home-making and the more recently recognized duties of social service. The speaker declared that the kind of politics that interested women was a totally different character from the kind that engaged the attention of the professional male politician and the enfranchisement of women could but introduce an element much needed not for women alone but for the human race.

Saturday night Mr. Millard spoke on Second street near Market, dealing with the war and its relation to women. He said that women could be depended upon to uphold the honor of their country and that no woman wanted peace at the expense of honor. But since the burden of war fell so heavily upon women this nation should never plunge into another war without the consent of the women expressed at the ballot box.

## DEATH OF MRS. ELIZABETH WILLETT

Mrs. Willett is survived by one daughter, Mrs. Luther Endicott, besides a host of relatives and friends. She was a sister of the late Dr. Thomas James.
